

M Shivani

DATA ANALYST

shivanim6@gmail.com | +91 8317485607 | Mysore, Karnataka, India | <https://linkedin.com/in/shivani-m-m-aa5495275>

PROFESSIONAL SUMMARY

Detail-oriented Data Analyst skilled in Python, SQL, Power BI, and Excel, with hands-on experience in data analysis, visualization, reporting, and problem-solving. Seeking to apply analytical skills to deliver actionable business insights.

PROFESSIONAL EXPERIENCE

Junior Campaign Manager — Mobbanner Media Solutions Private Limited

Nov 2025 — Present

- Analyzed campaign performance data and prepared reports with actionable insights to maximize ROI and client satisfaction. Coordinated with clients and internal teams to execute campaign strategies, monitor KPIs and optimize digital advertising campaigns.

Client Service Analyst — Theorem, India

Oct 28, 2024 — Aug 2025

- Assisted clients by analyzing and resolving data-related queries, worked with large datasets to identify trends, and collaborated with cross-functional teams to enhance operational efficiency using data insights.

TECHNICAL SKILLS

Programming & Data Analysis: Python, Pandas, NumPy

Databases: SQL, MySQL, DBMS

Visualization & BI: Power BI, Excel, Matplotlib, Seaborn, Data Visualization

Machine Learning: Machine Learning, Predictive Analytics

Tools & Other: Jupyter Notebook, C++

PROJECTS

Diwali Sales Analysis using Python

- Performed data cleaning, preprocessing and visualization to extract customer insights and support improved sales strategies.

Technologies: Python, Pandas, NumPy, Matplotlib

Heart Disease Prediction Using Machine Learning with Python

- Machine learning project focused on predictive analysis using Python and a structured healthcare dataset.

Technologies: Python, Machine Learning, Predictive Analytics

EV Station Search & Slot Booking

- Web-based application for real-time EV charging slot booking with reservation management and availability checks.

Technologies: Web App, Data Management, JavaScript

IoT-based Soil Moisture Monitoring

- IoT solution that monitors soil moisture and controls irrigation, with real-time monitoring through a dashboard.

Technologies: IoT, Monitoring, Dashboard

ADDITIONAL PROJECTS

AI Resume Analyzer | Ecommerce Website | Health Care Chatbot | Live Chatbot for Final Year Project | MATLAB Simulink Challenge Project Hub | Real-Time Voice Translator

EDUCATION

MCA — Mangalore Institute of Technology and Engineering

2022 — 2024

- Master of Computer Applications. Coursework: Data Analytics, Databases, Machine Learning fundamentals.

BCA — Seshadaripuram Degree College

2019 — 2022

- Bachelor of Computer Applications.

CORE COMPETENCIES

Data Cleaning and Preprocessing | Data Analysis | Data Visualization | Statistical Analysis | Problem Solving | Campaign Performance Analysis | KPI Monitoring | Client Service | Cross-functional Collaboration | Predictive Analysis
